Sherman in the Sen- were doing in those days, a greater proatch honors his party and his State and is portion of our population than one fifth worth to his country any half-dozen would to-day be competing with each ordinary men.

A Question of the Hour. If ever this country needed a proper just now. Last week several steamships arrived in the port of New York and others have since arrived, all bringing an immense number of foreign immian immense number of foreign immigrants. The press dispatches inform us that the steamship exents say that the coming season will be the busiest ever known in the history of the country—that a larger number of foreigners will doubt this country than ever before. Every vessel, they say, will be loaded down with people who come, not to visit us, but to seek homes in America.

Desfeess Can't be Cured

visit us, but to seek homes in America. visit us, but to seek homes in America.

In view of the situation confronting us, the question of the hour is, What kind of people are these new citizens who are flocking to the United States? Some of them, many of them, will undoubtedly prove to be a desirable class of citizens, as a majority of those who have come in the past have proved to be. They will seek the undeveloped sections of the country, take up land or engage in manufacturing pursuits, and become dustrious, law-abiding people.

ustrious, law-abiding people.

But there are others who will prove hemselves as undesirable as the former has will prove desirable. They will be Sold by druggists, 75c. Daw themselves as undesirable as the former class will prove desirable. They will be ignorant, vicious and cling to customs countries glad to get rid of them, and not at all sorry that there is a great dumping ground like America. To use the remark of a writer on the subject, Children Cry for Pitcher's Castoria.

they people will "join the Huns and Poles, live together in hovels, live on refuse, save 90 per cent of their earnings,

spectable laborer could exist." Others will come from the scum of Italy and SS 00 Sicily, and live like the Huns and Poles,
